linkedin.com/in/detimi

Professional Summary

Grant writer and proposal strategist who has written, edited, and reviewed over **100 grant proposals** for nonprofits, startups, and small businesses with an **80% award rate** and 100% client satisfaction. Extensive expertise across federal (including **SBIR/STTR, NSF, NIH, USAID, SBA**), corporate, and foundation funders in health, technology, education, and environmental sectors. Specialist in funder research, scoring-criteria analysis, budgets, logic models, and compliance-ready submissions.

Key Skills & Core Competencies

Grant Writing	Federal, Foundation & Corporate Grants ▪ SBIR/STTR Applications ▪ NSF Proposals
Strategy & Review	Funder Research ▪ Proposal Scoring & Critique ▪ Logic Models ▪ M&E Design
Execution	Budget Justification ▪ Compliance & Reporting ▪ Stakeholder Engagement & Interviewing

Professional Experience

2023–Present **Director of Grant Writing**, *Zenith Grant Consults*, Remote

- Lead grant research, discovery interviews, proposal development, and quality review for a top consulting firm.
- Authored, edited, and reviewed 100+ competitive applications (SBIR/STTR, federal, foundation, corporate).
- Developed narratives, budgets, justifications, and logic models for requests ranging from $5K to $1M+.
- Executed pre-submission mock reviews scoring drafts against agency criteria (NSF, NIH, USAID, SBA); contributed critical revisions supporting a seven-figure federal award.
- Mentor junior writers and collaborate with leadership to align mission-driven clients with measurable outcomes.

2024–Present **Confidential Contract Grant Writer & Proposal Reviewer**, *White-Label*, Remote

- Serve as behind-the-scenes writer/reviewer for grant consultants, firms, and US government contractors.
- Deliver applications across federal (SBIR/STTR, NSF), foundation, and corporate programs under partner brands.
- Evaluate draft proposals against scoring criteria, providing actionable feedback driving winning revisions.
- Contributed directly to 60+ applications through white-label arrangements with an 80% success rate.

2025–Present **Founder & Lead Grant Writer**, *Alpha Grants*, Remote

- Provide independent grant writing and funding strategy for nonprofits, tech ventures, and eco-sustainability initiatives.
- Craft compelling narratives and logic models that maximize funder alignment and reviewer confidence.
