Product Marketing Manager

Professional Summary

Product Marketing Manager with a background in grant writing and funder strategy, experienced in positioning, customer research, go-to-market planning, and paid acquisition. Combines research and persuasion discipline built across 50+ grant proposals with hands-on PMM execution: ICPs, competitive analysis, customer interviews, channel strategy, and Meta ad campaign setup.

Experience

2026 **Product Marketing Manager & Strategist**, *Pryce / Synkitech*, Remote
- Provided PMM and strategy support for an early-stage software and automation product startup.
- Drafted positioning, landing page copy, launch plans, Meta ad campaigns, customer interviews, and pricing inputs.

2023 – Present **GTM & Business Strategy Developer**, *Zenith Grant Consults*, Remote
- Developed complete business plans and GTM strategies for tech, health, education, and sustainability startups.
- Conducted market sizing, customer segmentation, competitive feature audits, and founder SWOT analyses.
- Built go-to-market strategies covering value propositions, channels, pricing, and measurable launch milestones.

2023 – Present **Grant Writer & Funding Strategist**, *Zenith Grant Consults & Consultancies*, Remote
- Researched funder priorities and drafted 100 proposals achieving an 80% award rate.
- Structured budgets, logic models, and measurable-outcome frameworks under tight, parallel client deadlines.

Product Marketing Projects

2025 **JapaLearn: Go-to-Market & Positioning**, *Portfolio Project*
- Conducted user research, interviews, and built ideal customer profiles (ICPs) and personas.
- Audited web app messaging, mapped initial target segments, and built Meta ad sets aligned with GTM positioning.

2025 **OPay vs. Moniepoint: Competitive Audit**, *Portfolio Project*
- Audited and compared user experience, features, and marketing approaches to highlight differentiation gaps.
